Answer: A,B

NEW QUESTION: 2

Which are three valid scenarios based on the image? (Choose three.)

- A. There is no default timeout value.
- B. The subscriptions will be run based on priority in ascending order.
- C. Priority and timeout values are needed for subscription blocking.
- D. The priority helps to run the subscriptions in a deterministic order.
- E. The default timeout is 5 minutes.

Answer: B,C,E

NEW QUESTION: 3

Refer to the exhibit. A network engineer manually reconfigures the BGP configuration on newly upgraded router R1. However, the BGP neighbor relationship does not come up with the directly connected neighbor router. What is causing the failure of the BGP neighbor relationship between routers R1 and R2?

- A. An incorrect neighbor IP address for router R2 is configured on router R1.
- B. An incorrect neighbor AS number is configured on router R1 for router R2.
- C. The wrong BGP authentication password is configured on router R1.
- D. Router R1 must configure the R2 loopback address as the neighbor IP address.

Answer: C

NEW QUESTION: 4

According to the International Professional Practices Framework, which of the following is correct regarding conducting and reporting follow-up activities by the internal audit activity (IAA)?

- A. A newly appointed auditor immediately proceeds to conduct follow-up testing based on previous work performed for the engagement and then reports the results to the chief audit executive (CAE).
- B. Due to management changes, the IAA is advised by management that no further work will be

done. Further follow-up work is not required as management has accepted the related risk.

C. Management has stopped implementing several key recommendations citing a growing disagreement with their effectiveness. The auditor communicates the situation to the CAE who then escalates the matter to senior management.

D. In situations where the identified risk may have a significant impact to the business and senior management has accepted the risk, it is not necessary for the CAE to inform the board of the decision.

Answer: C
