NEW QUESTION: 1

- A. Option D
- B. Option C
- C. Option A
- D. Option B

Answer: A

Explanation:

BOM calculation results (form) [AX 2012]

Use this form to view the results of an item's order-specific bill of material (BOM) calculations and as a starting point to perform additional order-specific BOM calculations. An order-specific BOM calculation can be performed for a line item on a sales order, sales quotation or service order. Each order-specific BOM calculation creates a calculation record that is uniquely identified by a calculation number. A calculation record displays summarized information about the calculated cost, sales price, and net weight.

Button: Print

Print the Calculation report for a selected calculation record.
