NEW QUESTION: 1
What is the first step you should take when creating a Facebook Advert?
A. Decide who you want the ad to reach
B. Decide on which devices you want the ad to be delivered
C. Decide on the ad creative
D. Decide on your advertising objective
Answer: D
Explanation:
Explanation: "Most people want to achieve specific results with their advertising, like getting more Page likes, sending more people to their website or increasing visits to their local business. Choosing your objective is the first step in creating a Facebook ad."
The campaign objective is the first question Facebook asks when creating an ad. Although all the options are important to get right, deciding on your objective first is important because it will impact on your choices for the other decisions.
