NEW QUESTION: 1
In a self-audit of your employee's I-9 forms, several errors were found. These errors included incomplete sections, questionable documents accepted for verification, and over-documentation. Of the following corrective and prevention strategies, which should you recommend to your employer?
A. Training for employees
B. Recertification of all I-9 forms
C. Enrollment in E-Verify
D. Requesting updated documents from affected employees
Answer: C
Explanation:
Explanation/Reference:
Answer option A is correct.
E-Verify is a system-wide approach to helping employers comply with post-hire documentation regulations.
Recertifying (D) and requesting updated documents (B) may be appropriate on a case-by-case basis but neither is a long-term solution to the problem.
Chapter: Workforce Planning and Employment
Objective: Review Questions

NEW QUESTION: 2
Which of the following defines momentum?
A. Push or a pull exerted on one object by another,
B. The relationship between force and time
